PRAYER  
355 From Every Stormy Wind That Blows

MUSIC STOWEET, 1799-1865  
GREAT  
TRANSLATION HESTRUP, 1785-1872  
ART. BY STEVE W. PETERSEN, 1911-

1. From ev-'ry storm-y wind that blows, From ev-'ry swall-ing tide of woes,  
2. There is a place a-bove Je-sus' throne, the oil of glad-ness on our heads,  
3. There is a mere-ry where ap-ir-its bleed, how friend holds fal-'ship with friend,  
4. Ah! with-er could we flee for aid, if at-tempted, de-o-late, dis-may'd,  
5. Ah! there our ex-gle wings we wing, in sin and sep-a-ra-tion no re-cess:

There is a calm, a sure rest, Near to the mer-cy seat.  
A place than all be-side me, Aught mer-cy seat.  
The an-dered far, by faith, Upon mer-cy seat.  
Or how the hosts of heav'n, No mer-cy seat?  
And heav'n comes down our side, Near to the mer-cy seat.

**Final Swing Thoughts...keep it simple!**

Remember you have 40 seconds to hit the ball after you have taken your stance.  
Remember your alignment Don't look up Athletic stance  
Focus Swing Easy Don't overthink it! Just RELAX  
Keep your head down Keep your EYE on the ball  
Stay clear minded & focused Finish high Visualize your shot  
me shot at a time! BREATHE in Exhale Tilt your head slightly to right!  
Tempo Rotate Turn your shoulders  
Bend at waste, not too Don't bend your left elbow or wrist:  
much Keep right elbow locked in  
Don't go past parallel on backswing Grip it and rip it  
FINISH BACKSWING Interlock, overlap or  
Slick your butt out! baseball grip, (what ever is comfortable)  
Don't sway or slide Don't over grip!  
Don't get too fancy  
Tees for short game Slow takeaway  
pull it ... chip it ... Knees slightly bent RELAX  
hit it like a putt ... Your body!  
tamp & run it ... Balance Transfer weight  
don't skull it Swing irons like a wedge  
Don't pull don't hold on don't  
top or skull...Trust your swing  
Hit down & through the ball Inhale...  
Exhale  
Remember, just hit  
it toward the target  
1
